Re: Terms of Office for Chairman and Vice Chairman of ECMB Board

Dear Jeff:

It is my understanding that the elections for the positions of Chairman and Vice Chairman of the ECMB Board will take place in June. I would like to suggest that the ECMB Board consider a two-year term of office for these positions. As you know, I serve on numerous Non-Profit Boards and most of them have a term of office of two years.

I believe that ECMB would best be served if they considered having two-year terms for their elected positions. Now, more than ever, is the time to have continuity in leadership positions. Given the endless funding challenges, i.e. economic stimulus programs, RGGI and REC's, the consistency of leadership positions is most important to ECMB.

I respectfully suggest that ECMB consider two-year terms for Chairman and Vice Chairman in the next election cycle. If you need further clarification on this issue, please contact me.

On behalf of the DPUC I would like to commend the ECMB Board for their outstanding work and commitment to energy efficiency programs in the state of Connecticut.

Sincerely,

John W. Betkoski, III
Vice Chairman
